

HISD NEW TEACHER FALL LEARNING OPPORTUNITIES

Want to be stronger at implementing classroom management and creating an engaging effective classroom culture?

New Teacher Support: Dessert and Development

Dates: October 18

Time: 4:30 pm - 6:30 pm

Location: Ryan Professional Dev. Ctr., 4001 Hardy St., Houston, TX 77009

Workshop topics include:

Transitions and Pacing Tools (course #515007)

Participants will learn how to use tools that allow the timing of activities, strategies that facilitate student engagement and transitioning through multiple activities and they will reflect and apply their learning of maximizing instructional time with student engagement.

Classroom Procedures (course #804003)

Participant will engage in activities that facilitate daily routines implemented by the teacher and completed by students that will maximize instructional time and will reflect and apply their learning to create a safe environment conducive to the needs of all learners.

Threshold (course #515001)

Participants will engage in strategies that promote the daily practice of reinforcing classroom expectations and personally checking in with students before the learning is set to begin and they will reflect and apply their learning to encourage positive social collaboration and student attitudes toward learning.

Strong Voice and Precise Praise (course #515015)

Participants will engage in positive reinforcement practices that reinforce the targeted behavior(s) expectation and they will reflect and apply their learning to develop authority in the classroom
