implement immediately with **SUCCESS!**

New Teacher Saturday Learning Series

Dates: October 28 (Course #63002)

Time: 8:30 am - 1:30 pm

Location: Lamar HS, 3325 Westheimer Rd, Houston, TX 77098

Breakout Sessions:

Transitions and Pacing Tools

Participants will learn how to use tools that allow the timing of activities, strategies that facilitate student engagement and transitioning through multiple activities.

Rewards & Consequences

Participants will engage in strategies that promote clearly defined classroom and student behavior expectations and a system of implementation that supports consistency and recognition.

Exit Tickets

Participants will engage in methods of checking students' understanding of content through purposeful, informal end-of lesson assessments.

Material Management

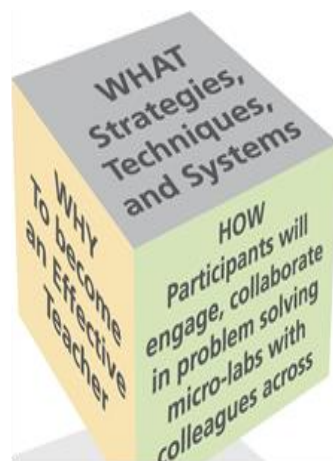

Participants will engage in systematic approaches to retrieving and storing materials so that students have quick access to material with less disruption to learning.

Classroom Procedure

Participants will engage in activities that facilitate daily routines implemented by the teacher and completed by students' that will maximize instructional time.

Reinforcers and Precise Praise

Participants will engage in practices that provide positive cues in response to consistent, desired student behaviors. Participant will reflect and apply their learning to support process praise among students.
