

INFORMATION ITEM

MEMORANDUM

April 16, 2018

TO: High School and Middle School Principals, Secondary Mathematics Department Chairs

FROM: Annie Wolfe, Officer, Secondary Curriculum and Development

SUBJECT: Mathematics Scope and Sequence Feedback Sessions

CONTACT: Alyssa Howell, Mathematics Director, Secondary Curriculum and Development
ahowell1@houstonisd.org

The Secondary Curriculum and Development office requests feedback regarding the mathematics Scope and Sequence documents from all secondary mathematics teachers. As planning for next year begins, we invite teachers to review their data and look for units of study that might need increased or decreased time allotments. Additionally, ideas about which TEKS should be grouped together, removed from a unit, or added to a unit will be appreciated.

The table below denotes the dates, times, and One Source information for each session. If you are unable to attend, please feel free to provide input via the Google forms linked below. For more information, email Carina Sanchez at csanch16@houstonisd.org or Alyssa Howell at ahowell1@houstonisd.org.

Middle School Sessions	April 17	4:30 – 6:00	OS#518008
